Message

I am extremely pleased to know that M.M. College is bringing out its first quarterly *Newsletter*. I hope that the Newsletter will be a showcase to highlight the various cultural and academic activities of the institution. My best wishes to the Principal and the editorial board.

Dr. D.K. Modi
President
Managing Committee

Message

To,
The Editor-in-chief
Multanimal Modi College, Modinagar

It gives me immense pleasure to know that our college in bringing out the first edition of *College Newsletter*. I strongly believe that the Newsletter will serve as the goodwill ambassador in disseminating the significant achievements of our college.

My best wishes for publishing the College Newsletter.

Date: 28th September, 2015

Dr. R.C. Lal
(Principal)

Message from the Editor

I feel great pride in bringing out, the first issue of our quarterly 'College Newsletter' from the current session i.e. 2015-16. Our college is always vibrant with multifarious academic and social service activities. The Newsletter serves as a platform for highlighting these activities. I hope our enthusiasm in bringing out the Newsletter is received with warmth and will motivate us to bring out the subsequent issues with more zeal.

Dr. Vivek Sheel

Saras for enlightening the students. Dr. A.K. Govila, Dr. Mayank Aggarwal, Dr. Shravan Nehra and Shri Manoj Pal were also present.

NEW ARCHAEOLOGICAL DISCOVERY

Pottery from Harappan era found in Baghpat

A team of Mohenjo-daro based archaeologists discovered a number of Harappan sites in Baghpat district. The sites date back to the 3rd millennium BC. The excavations carried out in the area have revealed a number of Harappan sites. The sites are located in the villages of Singoli, Brahman, Chandayan and Suthari. The sites are located in the villages of Singoli, Brahman, Chandayan and Suthari. The sites are located in the villages of Singoli, Brahman, Chandayan and Suthari. The sites are located in the villages of Singoli, Brahman, Chandayan and Suthari.

The excavation was carried out under a project titled "Archaeological investigations of Yamuna-Hindon Doab".

Some new archaeological sites were unearthed by Dr. K.K. Sharma, Deptt of History. A major research project entitled, "Archaeological investigations of Yamuna-Hindon Doab", is going on in the Deptt. Through this project some new Harappan sites and some painted grey ware (P G W) (Mahabharata Period) sites were discovered. The various Harappan sites explored were Singoli (brahman), Chandayan and Suthari. Singoli (brahman) and Chandayan are situated in the Baghpat district while Suthari is in the Ghaziabad district. PGW sites include Mandaula (GZB District), Naithala & Kherra hattana (Baghpat district). Some invaluable and historically significant relics have been discovered in the process.

NRI CONTRIBUTION

Dr. S.P. Gupta, an esteemed alumni of our college, now settled in Nigeria still cherishes his roots in his Alma-Mater. He introduced Ratan Lal Savitri Devi Gupta scholarship in memory of his family in the year 2008. Scholarship are awarded to the brilliant students in academics and sports areas. They have also donated funds for the renovation of the college Auditorium. Now again he has shown his gratitude towards the institution by donating the valuable books for different faculties of the college library.

HEALTH TIPS (DIABETES)

—Dr. Amar Singh Kashyap

Neem Leaf - a source of anti-diabetic characters. Scientifically it is known as Azadirachita Indica Linn. The leaf has the capacity for the absorption of intestinal Glucose. It rejuvenates the pancreas to control the insulin. We can reduce the dependency on diabetic medicines by taking one spoon leaves paste daily in the morning.
