HEALTH CORNER

INDIAN GOOSEBERRY (Scientific Name - Phyllanthus Emblica)

Other Name(s) : Aamalaki, Amalaki, Amblabaum, Amla, Amla Berry, Aonla, Aovla, Arbre de Malacca.

Because of its fibre and water content and it's great anti inflammatroy properties, it help soothes the intestinal lining and thus curb acidity.

We might be consuming enough calcium through our diet but the amount of calcium absorbed through the food ingested depends upon various factors. Amla helps in better absorption of calcium in the body.

Because of its diuretic property, it helps in the elimination of various toxins and unwanted excess salt through urine.

Chromium present in Amla, has a powerful role to play in diabetic patients. It is known to stimulate the beta cells which produce the hormone insulin. Thus it helps in better uptake of sugar in the body and reduces sugar spikes. Chromium is also responsible for good heart health as it reduces the formation of plaque and cholesterol build up in the arteries.

The powerful antioxidants present in Amla get you rid of free radicals which are the main cause of wrinkles, blemishes and age spots. Besides the above mentioned benefits, Amla also improves immunity, appetite, hair quality, and eye health.

MANAGERIAL MEETINGS (APRIL-JUNE 2019)
